

QUALITY & ENVIRONMENTAL POLICY

Flexi Print Private Limited is committed to delivering high-quality printing solutions for tea bag tags, envelopes, pyramid packing materials and self-adhesive stickers and labels while ensuring environmentally responsible operations.

We recognize that **customer satisfaction, product quality, and environmental protection** are essential to sustainable business success and form an integral part of our strategic direction.

Flexi Print Private Limited is committed to:

- **Meeting customer requirements** and enhancing customer satisfaction by consistently delivering products that meet agreed specifications and quality standards
- **Complying with applicable legal, regulatory, and other requirements** related to quality and environmental aspects
- **Protecting the environment**, including prevention of pollution, minimizing waste, and reducing environmental impacts arising from our operations such as ink usage, paper waste, and energy consumption
- **Ensuring effective process control** through proper planning, monitoring, and continuous improvement of our processes and management system
- **Applying risk-based thinking** to address risks and opportunities that affect product quality and environmental performance
- **Providing a framework for setting and reviewing quality and environmental objectives**
- **Enhancing employee competence and awareness** through training and engagement to ensure responsibilities are understood and fulfilled
- **Promoting sustainable practices** among suppliers, contractors, and stakeholders
- **Continually improving the effectiveness of the Quality and Environmental Management System**

This policy is communicated within the organization, understood by all employees, and made available to relevant interested parties.

Flexi Print Private Limited aims to achieve a balance between **business growth, customer satisfaction, and environmental sustainability** to create long-term value for stakeholders.
